The Leeston School community is defined by:

- Our friendly, eager-to-learn students
- Our dedicated, caring, professional staff
- Our forward thinking School Board
- Our supportive parents and an active Whānau, Friends and School Committee
- Our wider community that hold their local school in high regard

The school is divided into groups of classes, called syndicates, each with its own senior teacher (commonly referred to as the Syndicate Leader). Waitātari – Juniors, Waiwhio – Middle and Waikekewai – Seniors.

It contains information of a general nature, however if you have further questions, please do not hesitate to contact one of our staff, and as always your enquiry is welcome.

Community and School

Leeston Consolidated School is a U5 State co-educational contributing primary school, catering for children from Year One to Year Six. Most of the children contribute to the nearby Year Seven to Year Thirteen Ellesmere College (also in Leeston) where a wide range of learning options are available. Nearly half of the children travel to and from school by bus.

Leeston School opened in 1865. In April, 1935, Irwell and Doyleston schools were closed and the children travelled by bus to Leeston. The Lakeside school closed in February, 1940, and Brookside closed with a falling roll in 1944. In more recent times St Joseph's Convent School which was based in Leeston also closed, hence the name, Leeston Consolidated School.

There is a strong community focus. Leeston Township has a small, well established 'High Street' shopping centre, including library, Medical Centre, supermarket and several church groups. When it is available, the local community uses our school hall. The large playground is open to the community after school and at weekends. We are very fortunate to have a school pool and our school community can purchase keys for outside of school hours. Busy Bumbles are housed on-site and run a before and after school care programme.

Parents are actively involved and encouraged with classroom programmes, sports and education outside the classroom activities. Staff, children and parents work together to develop exciting EOTC (Education outside the Classroom) programmes for the whole school.

There are approximately 230 families at our school, 85% of NZ European/Pakeha descent, 14% Māori descent. Occupations include farmers, farm workers, business operators and professional people. There is also a growing commuter group that works in the greater Christchurch area.

Leeston Consolidated School is a silver Enviroschool where the local environment is very important. The snow covered Kā Tiritiri o Te Moana (Southern Alps) are visible from the playground, to the west.

Turangawaewae Our Place

Our Māori name, He Puna Karumata, was gifted to us by Taumutu Rūnunga based at Ngāti Moki Marae, Taumutu. Karumata is a name recorded for the Leeston area and He Puna refers to the many spring fed tributaries in our learning hub that feed into Te Waihora (Lake Ellesmere). Our learning blocks are named after three of these tributaries - Waitātari - Year 0-2 (Hart's Creek), Waiwhio - Years 3 & 4 (Irwell River) and Waikekewai - Year 5 & 6 (Waikekewai Creek).

Our Vision

The vision of Leeston Consolidated School is to support children to become 'Leeston Legends' – leaders, engaged in their learning, gathering information from a variety of sources, excelling in their field, able to negotiate, being determined and celebrating their success. In addition, we aim to encourage all students to demonstrate the values of care by promoting our three "Pillars of Care" - caring for the environment, caring for each other and caring for ourselves.

Our vision for Māori enjoying and achieving education success as Māori is for our tamariki to be comfortable with who they are and where they are at, and know about Tikanga Māori because of the everyday experiences and learnings that they participate in at Leeston School. By the time they leave us we want them to be proud of their heritage for then they become confident as Māori and want to be involved in activities that represent Māori culture.

SCHOOL ORGANISATION A-Z

ATTENDANCE

Children are expected to regularly attend school and caregivers are obliged by law to ensure their children maintain regular attendance.

Each day a child is absent, it is the responsibility of caregivers to contact the school prior to 8:30 am. Either reporting the absence via our SchoolApp or leave a message on the school answer machine (03 3243-493). Record the name of the child absent and the reason for their absence.

If you have not reported the absence, the office staff will attempt to contact parents to seek an explanation. We would appreciate parent co-operation and assistance with this procedure so we can ensure the safety of all our pupils as they travel to and from school each day.

Any absences due to travelling on family holidays during term time are treated as unjustified absences. These absences are to be put in writing or emailed to principal@leeston.school.nz

ACCIDENTS / ILLNESS

From time to time accidents do occur in spite of careful supervision by the staff. Most of these can be readily taken care of in the medical room. In the case of a more serious accident, immediate first aid treatment will be given and the parents will be contacted. If your child becomes unwell during the school day and we feel that they are not well enough to be at school, we will contact caregivers. In both cases should parents not be contactable, the school will contact the emergency numbers provided. Please ensure all contact details are kept up to date.

All medications for administration at school require a signed consent form (contact the school office) and must be in the original container.

BEFORE AND AFTER SCHOOL CARE

Busy Bumbles run a programme from our school. Please contact them directly for further information or to register. Phone: (03) 347 3031 Email: opsmanager@busybumbles.co.nz

BUS PUPILS

To be eligible to travel on the school bus, a student must either be under ten years old and live more than 3.2kms from school or over ten years old and live more than 4.8kms from school.

Buses arrive at school at approximately 8:40am and depart at 3:10pm.

Children are required to wear their safety vests to and from School.

Students using the bus service must sign a 'Bus Code of Conduct Agreement'.

Reliable information of an intention not to use the afternoon bus service is most important to the office. Please ensure that your child has been marked off the bus if he or she has an alternative travel arrangement for that afternoon. This is extremely important in case of emergencies.

All bus routes are detailed on our website. <http://www.leeston.school.nz>

CLASS TRIPS AND VISITS

Periodically, classes in the school are involved in educational visits. It is our policy to involve parents as much as possible in these trips, both in a supervisory role and also so that they may share with us some of the pleasures associated with giving children the opportunity to learn outside the classroom.

When the children reach Year 3 and 4 they will take part in an education outside the classroom programme (EOTC) which may involve an overnight camp at school. Year 5 and Year 6 students attend a three day camp.

HOME LEARNING

Leeston Consolidated School aims to equip students to be inquiring, self-motivated and lifelong learners. We do not set compulsory home learning, however, we strongly encourage:

- Taking opportunities to practise reading, writing and maths at home every day
- Talking to your child about their learning
- Participating in authentic learning opportunities both at home and in the wider community e.g.: playing, sports, dance, cultural team activities

HOUSE SYSTEM

Children are placed into one of our four 'houses' that operate within the school. Various activities and events take place that involve the houses and children are awarded points based on effort and achievement.

House Captains organise lunchtime activities throughout the year. Family members are placed in the same house.

House colours are - Darcy - Yellow; Pultney - Blue; Selwyn - Green; Market - Red.

KAPA HAKA

Leeston School has a kapa haka group that regularly performs at events such as the Cultural Festival and Ellesmere's Po Whakangahau.

LEARNING SUPPORT

Regardless of a child's ability, at Leeston School we believe that every child has the right to achieve success and make progress at school.

Leeston Consolidated School manages a Resource Teachers of Learning and Behaviour (RTLB) Cluster and works closely with this team. RTLB specialist teachers accept students onto their roll when they have been referred by the school. The RTLB teacher works with staff, providing support and recommendations for classroom programmes.

The Reading Recovery Programme is an early intervention programme designed to assist 6 and 7 year old children with literacy difficulties. This daily programme is run by a trained teacher.

ESOL – English as Second Language. Our trained ESOL learning support teacher works with children where English is their second language.

Please discuss with your child's teacher if you feel they need extra support for their learning.

LIBRARY

All classes have specific times during the week when they visit our school library with their teacher. The school library is also open during break times. Parents are asked to help by ensuring that children return books regularly and that they are encouraged to respect the books that they borrow.

LOST PROPERTY

Please name all children's clothing. It is our experience that things that are named are quickly returned to the owner. Please visit the lost property box outside Room 10.

LUNCHESES

Pupils are required to remain seated for the last 15 minutes of the lunch time while they eat their lunch. In the interests of safety, we ask that the children bring their drinks in plastic bottles.

Lunch's orders are available Monday to Friday. Please see our school website for the lunch order menu and instructions on how to order.

REPORTING TO PARENTS

Reporting to parents is undertaken through a "Meet the Teacher" evening early in Term One; three way student-led learning conference and goal setting in Terms 1 and 3.

However, at any stage, if you have a concern about your child's progress, or about any aspect of the school's activities, please phone to make an appointment to discuss it.

SCHOOL DONATION SCHEME

Leeston Consolidated School qualifies for the School Donations Scheme.

What is the School Donations Scheme?

Eligible state and state-integrated schools/kura receive \$154 per student per year. Schools are still able to ask for contributions for overnight camps and also extracurricular activities that are outside the core learning programme, where participation is optional, and parents/whānau have agreed for their child to participate. Examples include sports trips, Jump Jam, etc. In addition parents are still expected to purchase stationery items for their children.

Our school/kura will still be able to fundraise through existing channels and organisations, including Whānau Friends and School (WFS). Our Whānau Friends and School committee are highly valued members of our school community and make regular significant contributions to a range of important experiences, including swimming lessons, year 6 leavers dinner, etc. Going forward we will continue to rely on WFS contributions and we urge you to support future WFS events. In helping to support the WFS you will be helping to enrich the learning experiences of our Tamariki.

Payment of incidental expenses eg: stationery, camp, sporting activities outside of school, will be invoiced and accounts are emailed home during the term. We ask that these invoices are promptly paid.

We encourage parents to set up an automatic payment. Our school bank account details are :
BNZ 020860 - 0074771 - 00. Please include your child's name and payment item as the reference.
